Deputy Assistant Director, ORE

Psychological Intelligence Unit

1. This morning I received a draft memorandum for the DCI in which it was stated that ORE plans to recommend the creation of a P.W. Unit. I would like to point out that there has been a slot (GS-15) for a P.W. expert for the past 60 days. This position was created by taking it away from one of the producing units of ORE. To the best of my knowledge we have no candidate prospective or otherwise for this position.

2. I suggest that while we may "intend" to create a P.W. Unit as stated in the memorandum to the DCI, our ability to do so is quite another matter and I seriously doubt that we ever will.
